

## **AGM 2018: Report from Club Secretary**

### **Sports Club Committee**

The committee has continued to meet on a monthly basis throughout the year. As detailed last year the roles on the committee were restructured and this is already producing good results with better communications and new activities at the club in the pipeline.

Like to give a big thanks to Gary for all his efforts in taking the club in the right direction and Phil for keeping track of all the numbers and monitoring the financial health of the club.

Finally, I would like to thank Teresa for all the hard work she puts in to keep on top of all the club administration work and the all the other tasks she carries out and Jim Aylward who has been working on our IT system to make it more secure and robust.
