## **Broxbourne Sports Club – New Committee Structure for 2017-18**

All committee roles now have role descriptions – these can be downloaded from the Sports Club website: [www.broxbournesportsclub.co.uk/agm](http://www.broxbournesportsclub.co.uk/agm)

The new structure is compliant with the existing club rules – the main difference being that instead of generic Elected Delegate roles we have defined specific lead officers for:

- Marketing and Communications
- Business Development

The aim of the new structure and roles are to ensure that we:

- Maximise co-ordination with all the sections and the staff to ensure the smooth and effective running of the club
- Share the working load and responsibility more evenly among committee members
- Enable those with the skills and experience within the membership to contribute these for the benefit of the club

We would also like to welcome members with relevant skills and experience but who do not feel ready or able to take up a committee role to volunteer for us. If you would like to help in this capacity please contact either the Chair or the Secretary.
